

FCC:Please, I urge you to REJECT the NAB's Petition 04-160.

We have the right to the variety and quality that XM Radio offers, that is not available elsewhere. I am willing to pay for these services, providing immediate world news, local traffic and weather channels.

Please, SUPPORT XM's ability to provide the programming that we (my husband and I) and need during our road travel and at home

Thanking you,

Sue S. Olsen
